Assessor Comments	A quality line of young EU Accredited Young Heifers. If you are chasing performance cattle with that added punch but still carrying the softness and performance to meet most high-quality markets, these cattle are for you. Bred for performance and given the right environment and conditions should achieve some outstanding weight gains. There are two age groups in these heifers with 32 head just being weaned, Autumn calves 7/8 months old and the remaining 58 head being Spring calves 12/13 months old. Heifers have been drenched and vaccinated. 1 head treated for pink eye.
