Assessor Comments	11 Santa cross Hereford steers that are 11 months old. These steers have done exceptionally well since their arrival in June. Their is one steer with a patch of warts the right side of his neck the others only have a very minor amount refer photos/ videos. There is one steer that is solid red. They will continue to grow out to suit any market or weight given the opportunity in my opinion. AV 407.3 KG FULL AT ASSESSMENT. VENDOR HAS ANOTHER LOT ON OFFER IN SAME SALE.
