Assessor Comments	Buyers, on offer is a nice line of Hicks beef composite x Angus steers. Steers are presenting in fresh condition and have performed well since arriving onto Agistment property in May. These steers have met Angus criteria and have been accepted into Angus x Angus feeder programmes in previous years. Please note vendor has other lots in this sale. This is a reluctant sale due to loss of agistment property. Noted at assessment 4 steers with old blight scarring deemed not detrimental and 5 steers with small amount of white between sheath and rear flank. Please call with any questions.
