Handled With	Bikes , On foot , Vehicles
Assessor Comments	Well bred Angus X Friesian heifers (preg tested empty) from the reputable Yarallah Dairy operation sired by Millah Murrah Angus bulls, presenting in forward store condition with solid frame. Traditionally taken through to 600 kg, they are now being sold earlier due to limited feed availability and the need to make room for incoming heifers. A great opportunity for backgrounders or finishers — all the hard work has been done.
