Assessor Comments	Angus x Angus steers that are displaying great weight for age and have benefitted from the great season they have had at Cootamundra. They range from 343-512kg full to average 425kg with a delivery adjustment. They are starting to lay fat cover but are not over done. There is a run that are vendor bred by a Table Top Angus bull with the balance being purchased in. A neat line that will suit someone looking to value add some grass.
