Assessor Comments	Quality well-grown EU Angus heifers displaying excellent growth, frame and breed characteristics. Sired by Dunoon and Ardrossan bloodlines, these heifers present as a very even and attractive line, showing plenty of length, depth and overall doing ability. Very quiet in temperament and easy to handle, these heifers have been a pleasure to work with. A genuine opportunity to secure Angus females carrying well-regarded bloodlines, with the frame and potential to develop into productive future breeders.
