Assessor Comments	A very good line of 21 EU Angus steers, Av 350kg showcasing plenty of frame, length and overall growth. Sired from quality Ardrossan and Dunoon bloodlines, these steers display excellent shape and capacity, offering buyers plenty of confidence in their future performance. Exceptionally quiet to handle, these steers are a pleasure to work with and present as an even, well-grown line. Their frame, length and natural doing ability make them ideally suited to a wide range of production systems. Cattle with the versatility to perform under either grass or grain feeding programs, making them an excellent opportunity for backgrounders, grass finishers or feedlot operators looking for quality Angus steers with plenty of potential.
