Cattle are respectful and well-educated and block up exceptionally well. When handling through the crush, some weaners

	became agitated, but this can be partially attributed to the very open crush and facilities. Purchase with confidence; any good cattlemen will find these a pleasure to handle.

Assessor Comments	Offering a neat 2 decks of 72 Angus cross Steers. Young, well-grown steers showing frame and ready to go forward weighed 330 to 436kg with vast majority 340 to 380kgs. Respectful and a pleasure to handle, and they block up well in yards and paddocks, walking calmly out of the yards up the laneway. Droughtmaster Angus cross steers, almost three-quarters of which show minimal Bos indicus influence and approximately a quarter showing 50% influence. Greenhams Never Accredited.
