	Cattle are respectful and well-educated and block up exceptionally well. When handling through the crush, some weaners became agitated, but this can be partially attributed to the very open crush and facilities. Purchase with confidence; any good cattlemen will find these a pleasure to handle.
Handled With	Bikes , Vehicles
Assessor Comments	Offering a neat 28 top-up or small turnout load of Angus cross Steers. Younger brothers to the other steers, these well-grown but fresher steers showing frame and ready to go forward weighed 280 to 330kgs present the perfect article to add value with available grass. Respectful and a pleasure to handle, and they block up well in yards and paddocks, walking calmly out of the yards up the laneway. Greenhams Never Ever accredited.
