| Assessor Comments | 120 Angus heifers averaging 260kgs, presenting as the ideal turn-out opportunity. Autumn and Spring 2025 drop, trucked down from recent musters from vendors' Wilcannia properties. Heifers have settled well, arriving in healthy condition and have gone forward. Cattle handled well in yards. A great run of lighter weight heifers with a small tail-on type; these heifers will continue to perform. Preg tested empty for buyers confidence. |
