Temperament

Yards	Crush	Paddock
Quiet: 18 head Slightly Stirry: 3 head	Quiet: 15 head Slightly Stirry: 6 head	Temperament not assessed in Paddock

Most steers were willing to walk calmy through gates and drafted without fuss, there was a couple that wanted to rush the gate or a little nervous for the videos. I would still say they were well mannered cattle.

1 Head	scurr/ white belly

Assessor Comments These steers would do very well on either grass or grain to finish off. The vendor has an excellent commercial herd and these steers are a credit to him. Grass fed and antibiotic free. Noted doing cattle so buy with confidence.
