Assessor Comments	430 of the top draft of wether lambs from Auburn farming. These wethers lambs are a combination of elite genetics and 1st class management . These wether lambs have all been individually weighed through an autodrafter 35+ kg. These lambs are by \$3000+ Border Leicester rams from Bindaree & Nundoon out of Kerin Poll blood ewes sourced from Kerin Poll and some top clients like the Scolari Family Tomingley. Please remind yourself that these wether lambs are March/April 26 drop lambs so plenty of time to grow to heavy export weights. These wether lambs have massive early growth and will feed and perform like a traditional 2nd cross lamb. These lambs are the top 430 of 1350 wether lambs in this sale.
