Assessor Comments	318 April/May 2026 merino mixed sex lambs (174 ewe lambs, 144 wth lambs), unshorn, 27.3kgs live weight. A neat line of mixed sex merino lambs that would be ideal to purchase as a trade or fatten and retain ewe portion. Lambs are healthy and fresh, responding to short green feed and will continue to grow into large framed, heavy boned sheep for the future. Ewe portion is mulesed and wether portion only marked.
