Assessor Comments	This is an opportunity you don't want to miss. Bayrook Pastoral Co of Gelantipy are offering a line of 475 2nd cross sucker lambs. These lambs have never missed a beat from day one. Presenting in forward condition, nice and sappy while being tight in the wool. Bayrook have always achieved high yields and great weights with their lambs. Lambs are displaying a great weight for age while representing the Poll Dorset and Southdown traits out of Merino x Border Leicester ewes. Lambs are still running with the ewes and will be weaned onto the truck. Please note there is a very small handful of Black Suffolk x lambs in the draft. Buyer will not be disappointed with this purchase
