Vendor Comments	Very pleased with the freshness and weight in the lambs.			
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	Neat run of well bred store lambs from the Keith district. Tops of the drop with a significant tail drafted off, the lambs are a fresh and even line. Clean faces and spritely, they haven't had a check, and I'd expect them to boom ahead with a vaccine, drench and good spring feed.
