Assessor Comments	Complete drop off new season merino wether lambs, April/May 26 drop, these lambs are weaned and ready to preform. The Webers are know for breeding large framed easy doing sheep, given the right treatment they will grow into heavy export lambs, please note was a small amount of innocent weed present at assessment. These lambs will not disappoint the purchaser. Please note Elders Murray Bridge have another lot of 400 within 50km of these.
