The second draft of 3500 lambs being sold in 5 lots (5x 700) These lambs are still fresh as per photos and have the breeding to grow into Heavy trade or Export lambs. The Curragh lambs have performed well for those who have purchased them in the past. PLEASE NOTE: There is 35% with stain on breech at assessment (could increase due to going into a paddock with fresh feed). 1% identified with very light scabby mouth at assessment.
