Assessor Comments	A nice line of young 1st x ewe lambs offer as a run out the gate of two lots 210 (420 total) Vendor has been breeding 1st x ewes for a number of decades. Sired by quality St Helena Border Leicester Rams and bred out of western bred merino ewes showing good length of body. These ewe lambs have responded well since shearing but have only had access to grass country up until assessment and for this reason only present in fresh forward store condition. Ewe lambs are generally true to type and show good length of body, given the opportunity should grow into nice ewes in the future. Previous purchasers of these ewes have had very good results in producing prime lambs. 420 head in total and they will be delivered as a run out of the gate. 10 tail was removed from the line prior to assessment
