Joining Access Details	Vendor marked 6 Ram suckers at assessment would expect lambs are to young to have joined.			
Notable Traits	Traits 3 Head Black wool lambs			
Assessor Comments	A well bred line of White Suffolk/Merino mixed sex lambs, April/May 2026 drop, bred out of large frame Mumblebone blood Merino ewes by the White Suffolk rams. They will be offered as 2 run out the gate lots of 375 head. They are the top 750 lambs out of 1350 in the drop. 10 lambs were marked at assessment. Odd lamb with stain around breach. They present in fresh sappy condition and will be weaned on delivery, they have had access to grain with their mothers in feeders. A great opportunity to purchase a run of lambs to fatten into a strong trade or export lamb market. The 2 lots of 375 head would give the opportunity to put a B-Double together.
