Assessor Comments	These lambs are bred with top quality Thurlstone Poll Dorset rams out of good long bodied, well structured Lachlan Merino blood ewes. This is a top line of store lambs with a 20% tail removed over the scales. They have had barley in feeders with since weaning. The lambs present in good fresh condition and showing the benefit of the grain assistance. There is a approximately 25% starting to show signs of requiring a light crutch. They were treated with Flexolt after assessment and are within and ESI.
