Assessor Comments	Prime lamb finishers, here is an excellent opportunity to secure a neat 4 deck line of top quality 2nd cross lambs. These lambs are sired by quality Ridgehaven and Cranbrook Poll Dorset rams which have been purchased from the very top end of each stud's annual ram sale. They are the top draft of 1200 lambs on the property. Lambs show very good type and are still mostly fresh in the skin. All lambs have been market crutched. These lambs are well on their way to fitting a heavy trade or export market and come highly recommended. Please note lambs were weaned at assessment, and while they have been weaned onto a paddock with abundant feed, please take this into consideration.
