Vendor Comments	Nice line of wethers, our mature flock averaged 6.5kg(Greasy) of 17.5 micron wool this year and these lambs averaged 3kg(Greasy) at 16 microns.			
Assessor Comments	An excellent line of Merino wethers. These wethers show good frame and type and would be an ideal trade opportunity or retain as wool growers. This mob represents the top draft of 1300 wethers in the drop. They were weighed out 38kg plus at assessment. The vendor will bung hole wethers prior to delivery.
