Quality Grades

Very Good 100%

Assessor Comments	A good quality line of merino wether lambs that were purchased direct of Parkdale merinos. These lambs have been in feedlot conditions and due to the heavy rainfall events of last week now need to be moved on. They are trained to feeders and still going ahead . Plenty of time left with tight lambs teeth at assessment. Lambs were shorn late may and would be ideal for a short fed job. All the the hard work has been done
