JD Approved Vaccinates	Sheep are JD Approved Vaccinates. Vendor has been continuously vaccinating all retained lambs in the flock for 15 years		
Other JD Management	All females on Mt Challicum and Challicum have been in the OJD program for a min 15 years.		
Vendor Comments	Our Spring Drop (Aug/Sept 2025) wether lambs offered to the market. Wool off these lambs regularly tests 16-16.5micron.		
Assessor Comments	450 - (4 Decks) "Mount Challicum Blood & Bred" - stylish line of dual purpose poll merino & merino wether lambs, shorn and presenting in strong store to forward store condition & on the improve. Well grown lambs that are a dual purpose proposition coming from a good starting weight & with all the hard work already done here. Lambs on feeders and quality pastures with time on their side as we regularly sell the Mt Challicum lambs as lambs well into November. Lambs that would also grow into productive high quality fine wool producers in this strong and positive wool market if you wish to go that way. The Mount Challicum wool is highly regarded and highly sought in the premium end of the wool market. Ideal feeder weighted lambs. Buy with confidence.
