| Assessor Comments                   | A line of the younger brother's of the Smith's wether lambs. Top up the truck with these few and keep them together. Terrific weight for age, these lambs are catching up given they are a month behind the lead draft. Great bone development with length and depth, pocket & pizzle crutched and Eryvac 7-1 in the cradle. BUYERS NOTE, 48 HOURS NOTICE IS REQUIRED FOR DELIVERY. (9 ewe lambs included)(approx 10 head with no tail strip) |            |             |            |
