Assessor Comments	Very good quality new season, weaned wether lambs! These young wethers exhibit very good weight for age, bone, body length and depth. The "Greeba" wethers have a great reputation and given the right opportunity they will grow and fatten to heavy export lambs. Buy with confidence, weaned, shorn, drenched, vaccinated 6in1 plus booster there's no work left here. 380 ewe sisters will be offered in the same sale which may assist with freight accumulation.
