Assessor Comments	Very well bred line of Weaned suckers individually weighed 31-42kg and in fresh sappy condition. They have been weaned a month and are performing very well on triticale. Bred from large frame poll merino ewes, they come from a well managed operation and have received sound feedback from previous purchasers. Vendor annually purchases in the Valley vista ram sale. Lambs show excellent conformation and stand on good bone. Lambs are being offered in two groups and will be delivered one for one via the drafting gate if required. Please call for further information.
