| Vendor Comments                       | Annual offering of our terminal sired lambs which have performed well since being weaned. Lambs are tops of the drop.                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |            |                  |            |
| Any Access To Rams or Stags?          | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |            |                  |            |
| Assessor Comments                     | Very good quality line of weaned suckers which represent the tops of the drop. Bred from genuine large frame plain bodied ewes. Lambs are sound on their feet and present evenly. Lambs are proven performers amongst previous purchasers and this represents an annual sale. Vendor offering a total of 830 lambs in this sale all individually weighed out. This group being 39-52kg with another group 36-39kg on offer also. Lead of lambs will finish in the wool if required. Please note approx 10-20% of mob have small amount of dry dag. Please call for further information. |            |                  |            |
