Assessor Comments	Great opportunity to secure well bred noted Riverina Bred Wether lambs from Sleigh Pastoral Company, these need no introduction given many years of careful ram selection which reflects there ability to convert feed into carcase weights and cut kg of stylish white wools. This particular draft being the lead 388 from a total of 978, which have been carefully drafted to allow purchasers the confidence that they are not going to be disappointed. # Please note a % have dag due to green feed and supplementary fed barley would be advisable to crutch on delivery.
