Notable Traits	Traits 1 Head Black wool 2 Head Horn			
Assessor Comments	On offer is an even line of White Suffolk/ Merino cross lambs, April/May 2026 drop, weaned, drenched and vaccinated. Bred out of good frame EGELABRA blood merino ewes by the KURRAVIEW White Suffolk rams. A large tail of 370 head was drafted out of the assessed mob. Some lambs have small amount of stain around tail from fresh pasture. These lambs have had an introduction to grain. A great opportunity to secure a good line of lambs weaned up and ready to power ahead, ideal to fatten for trade or export markets.
