Assessor Comments	250 merino wether lambs, April/May 2026 drop, Alma bred & blood, unshorn,tail stripped, 39.1kgs live weight. A quality line of weaned lambs that have the potential to grow out into large framed, heavy boned wethers to suit trade/export markets. Due to season vendor moved all but 1 mob of sheep to other properties hence the small line. Lambs have long deep bodies and will grow out quickly with correct nutrition. Some lambs have light dag and would benefit crutching.
