Assessor Comments	420 merino wether lambs, April/May 2026 drop, Budgewah bred, Woodpark blood, unshorn, mulesed, 29.2kgs live weight. A good line of store lambs that would suit to feed on or to retain as wool cutters. Lambs are responding to quality winter feed and will continue to grow if shown correct nutrition. Lambs grow into deep, long bodied lambs, ideal to take onto trade weights and cut a stylish medium wool. Lambs would benefit crutching due to some having some dag. Lambs have been trail fed Faba beans on mothers.
