Assessor Comments	440 April/May 2026 merino wether lambs, Barwonnie bred, Goolgumbla blood, unshorn, mulesed, 34.3 kgs live weight. A great line of Goolgumbla blood wethers that are really on the do. These lambs will continue to grow out into heavy cutting, large framed wethers to suit trade/export markets. Currently grazing a body of winter feed and make a great opportunity to turn out to fatten for Spring/summer markets. Lambs have been fed Faba beans on mothers through lambing.
