Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	An excellent line of 2nd cross suckers. 100% individually weighed 34-39.5kg at assessment. Sired by quality Poll Dorset rams out of large frame western bred ewes. These lambs will perform given the opportunity. Lambs are showing good carcass characteristics. They will be weaned onto the truck and any very dirty lambs will be banded prior. Highly recommend.
