Assessor Comments	Opportunity to purchase quality Concordia Merino Blood Wethers off Hawks Nest noted for there ability to shear a large amount of medium micron wools. They have had a great start with perfect lambing weather. Recent rain has allowed them to grow out outlining their genetics potential. With wool prices still at a high, these wethers are noted at some of the best to generate \$, plus the ability to grow out for processors. Please note 10% with light dag, please see videos and photos. Please note the lead and third draft also in todays sale. Feel free to give me a call to discuss further 0409 412713.
