| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                     |            |                      |
| Assessor Comments            | On offer is 164 XB sucker lambs all weighed 28kg + to average 34.1kg at the time of assessment. These lambs were purchased as units in July. Lambs are Dorset x Composite and show plenty of style and shape. Lambs have been grain trained on barley and will return to the same feed until delivery. Excellent opportunity to turn these lambs out onto pasture / grain and take them onto trade or export weights. *Please note lambs will be marked crutched prior to delivery |            |                      |
