Assessor Comments	A well bred line of good frame wether lambs. Dual purpose lambs to either turn over quickly on grain or grass for the lamb trade or grow out into heavy wool cutting wethers. 33% normal wether horn, 67% Poll. Wethers were bred at vendors second property "Lillyveil" west of Blackall and trucked to "Bloomfield" after shearing. Wethers have years of Poll Boonoke breeding behind them and will not disappoint on carcase or wool traits.
