Assessor Comments	460 April/May 2026 Merino wether lambs, Albemarle bred, Charinga & Willandra blood, unshorn, mulesed, 36kgs live weight. A quality line of wether lambs, perfect to grow out for trade/export markets. Wethers are reasonably fresh considering season, displaying plenty of width, depth and bone. Proper wether lambs that will fill out into heavy export lambs and cut a power of wool. Ideal dual purpose sheep. Lambs have some dry dag at assessment and would benefit crunching. Lambs have been jetted with Cyrex Liquid post assessment. Please note delivery date Monday 21st September.
