Assessor Comments	On offer is the lead draft of the Cooee/ Macguire familys Merino wether Pooginook blood lambs. These lambs are a May/ June 2025 drop and have done exceptionally well this year. Lambs have been weaned for 14 days and a 24 hour curfew prior to assessment so the 30.6 kg avg is a proper genuine weight. There are 1350 in total of the lead draft to be delivered as a run out the gate of 3x lots of 450. There are another 750 of the next draft down that wont be on Auctionsplus but can be offered to the potential successful buyer on this lead draft.
