Assessor Comments	On offer are 300 second-cross White Suffolk new-season sucker lambs. These lambs averaged 46.9kg liveweight at assessment, with all lambs individually weighed, ranging from 37kg to 66kg. These lambs present an excellent opportunity to continue on to heavy trade or export weights. A tail has been removed prior to assessment, meaning this offering represents the tops of the drop. Buyers, please note these lambs have returned to their mothers and will be weaned on the day of delivery. A quality line of lambs that carrying my strongest recommendation.
