Vendor Comments	Annual turn off merino wether lambs, lambs have done very well running on vetch crop
	Quality Grades Very Good 100%
Assessor Comments	An exceptionally well bred line of pure Bocoble merino wether lambs that are powering ahead on a vetch crop, lambs show great weight for age and pushing out a healthy staple as well. Lambs would be equally suited to either carrying out to heavy kill weights or would be great bale fillers to carry on as wool cutters!
