Assessor Comments	ALLEN RURAL offers an excellent run of primeline ewe lambs. The vendor has traditionally retained lambs as future breeders but selling due to a change in direction to Lambpro Crusaders. The lambs are June-July drop and are up to date with their health treatments and have received a Gudair vac. Suckers have been imprinted onto trail feeding grain on their mother's prior to weaning. Lambs have been grazing on a oats crop and weaned onto improved pasture which is steaming ahead. An excellent opportunity to purchase a run of future breeders. Don't hesitate to call.
