| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |            |             |             |
| Assessor Comments            | The Top draft of the Grogansworth Pastoral PD X Suckers. These Suckers have been bred out of large frame ewes, that were bred and purchased to specifically breed top end Poll Dorset Merino lambs. The Poll Dorset genetics come from Gooramma & Wylandra Studs. These lambs stand on great bone and have the shape and growth rates to grow out to the trade or export markets if given the opportunity. Last years drop went to GMP and had 75% upgrades for GLQ @ 32kg Carcase weight. All lambs individually weighed 35 plus kg @ assessment. Please make your own allowances on weight as these lambs were weaned at assessment. Total of 620 offered into todays sale 2 x 220 & 1 x 180 head |            |             |             |
