Assessor Comments	This is a genuine line of second x lambs, sired by Morton Poll Dorset Rams and Seriston White Suffolk Rams out of Large Frame Vendor Bred BL/Mo 1st x Ewes. Every lamb was weighed within a very tight weight range of 36 - 39.5 kg full weight. Lambs have been put back on mum and will be weaned upon delivery. They will all have a market crutch prior to being trucked. Vendor only selling as they have too many lambs to finish. Extremely well-bred lambs that will turn into extra heavy export lambs on good feed and given appropriate time. These lambs have been grain imprinted on mum and were eating off the trail.
