Assessor Comments	A very even line of White Suffolk/Merino mixed sex lambs, April/May 2026 drop, bred out of large frame Mumblebone blood Merino ewes by the White Suffolk rams. A 17% tail was removed from assessment. Odd lamb with stain around breach. They present in fresh sappy condition and will be weaned on delivery, they have had access to grain with their mothers in feeders. A great opportunity to purchase a run of lambs to fatten into a strong trade or export lamb market.
