Assessor Comments	An excellent quality run of the lead draft of 'NORTHWOOD' lambs in Fresh forward condition. Sired by Ridgehaven and Springwaters rams out of large framed western bred first x ewes. These lambs have hit the ground running and look to be thriving in the conditions and have no doubts they will continue on to hit export markets given the opportunity. A great opportunity to purchase a high quality wedge of second cross lambs. Please note buyers lambs are tagged with white EID tags as vendor had ample left over from last year.
