Lambs are bred out of good framed Cashmoore-Oaklea composite ewes purchased out of western Victoria, sired by a White Suffolk/Southdown Composite Ram. Top end of lambs are already at killable weights and the rest of mob will not take long to finish, vendor only selling due to tightening season. Ewe portion of mob could be retained & will grow out into highly productive breeders if given the opportunity. Please note: lambs are not crutched, 15% carrying light dag, 5% carrying heavy wet dag. 1 black lamb in mob.
