Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	Neat line of very fresh, weaned store xb lambs. Being the lead draft and only May/June drop, they are charging ahead on good feed post weaning and present as a great opportunity to take on to kill weights in a short time-frame. All lambs weighed through the auto-drafter 36kg and above. Seconds in this sale also, along with other lambs in the district.
