These lambs are all sired by top quality Ridgehaven Poll Dorset rams and out of large framed 1st x ewes. They were 100% weighed at assessment between 30 and 37.5kg to average 35kg with a 5% tail removed. Introduced to grain through barley in lick feeders and with the benefit of shearing and a drench these lambs should grow out into very good trade and export weight lambs. Please note lambs will be market crutched prior to delivery; Good lambs to take forward.
