	Quality Grades		Wrinkle Score	
	Excellent	100%	Plain	100%
Assessor Comments	285 Primeline ewe lambs that present very well and are carrying excellent body weight going into late spring. Kennys Creek invested heavily into Primeline genetics several years ago to establish their current Primeline flock, and the results of that really show this year. All 2026 progeny have produced excellent early growth, with the start of their trade lambs being sent to the trade prior to being 4 months old.			
Assessor	Jarrod Slattery (Level 1 Accredited) Phone: 0428 695 700
